**Golf lessons                      2009**

1<sup>st</sup> February 2009

Dear Parents,

Golf lessons will be conducted during this term for interested pupils in years 3-6. Once again this year the lessons will be led by local golf professional, Sue New and will occur on Monday afternoons between 2.00pm and 3.00pm on the grass area across from the school. The sessions commence on Monday 9<sup>th</sup> February through to Monday 23<sup>rd</sup> March ( 7 lessons). It also includes a day at Campbelltown Golf course so that the children can practise the skills they have learnt in a game of golf.

All of the equipment is provided and the children are coached in a variety of skills which develops good basic hitting and chipping as well as improving hand-eye coordination. It is a fun activity which is suitable for all ability levels. A teacher will also be present and assist in supervision of the lessons.

Further information about the golf day will be given later in the term.  
The cost of the lessons, equipment use and golf fees at the Campbelltown Golf course is \$25.00 in total.

Please complete the permission note below and return with the \$25.00 to the office by Wednesday 4<sup>th</sup> February. (There are only 30 places available.)  
If you have any queries about these lessons, please contact Miss Tomlin.

Regards,  
Miss Tomlin
